Rick – can you add Ex. 5 Deliberative Process (DP) to the agenda today?

Charlotte et al,

Attached for your review is the combined response from OPP & OPPT. I have used strikethrough to indicate that we should remove 3 of the items from our list before we submit it to OP, and here is the explanation:

Ex. 5 Deliberative Process (DP)

OPPT included two existing chemical SNURs because of the IO's interest in them, but SNURs do not meet the criteria for inclusion in general and these two won't meet the criteria individually either. For example, neither involve OMB review. Including them will change that.

Let me know if you agree with the other 5 items:

Ex. 5 Deliberative Process (DP)
